

Dear Clark,

Please find enclosed a cashier check for \$6290.17. As I write this, I faintly hear the peeling of the death knell of our dream; building our home overlooking historic Tombstone.

Sadly, the \$18,790.17 hole is the final chapter in the property, we purchased, as it is now virtually worthless to anyone.

We both want to thank you for putting forth such an effort, on our behalf and for your prompt attention to our venture. We also thank you for the break on the drilling cost.

Sincerely,

D. M. Moran
